As I'd waiting For a movie I had already paid For at the showtime 6 Movie theater, I was approached by "OFC Jones, whose badge # is 3", said I had to leave the premises, he said he received a "call" and doesn't Know From who saying that I was trespassing on the premises. and I said no I'm waiting For a movie and I proceeded to show him a ticket. This is one of many interactions I've had with this officer and everytime he sees me he threatens me with arrest. I carry a lot of bags so I believe when he sees me somewhere with said bags that I'm loitering hence the threats, When I asked "OFC Jones Badge #3", if the phone call came From the Folks working there he said he didn't Know he just Knows he received a phone call and if I don't leave he's gonna arrest me, With the Folks who are working I asked them if they called the cops on me and they gave me a deer in the headlights look. Because they were sitting in the lobby just as long as I was. So I believe it said I

was a passer by or him that thought I may be trespassing or loitering there. I said if I leave I need to get a refund for my money, he said if I don't leave right now I'm gonna have to arrest you and I reiterated if I leave I need a refund first. So without much more out of me I grabbed my belongings and left. as I'm standing outside "OFC Jones whose badge # is 3". went inside and told the workers that I was trespassing there and not allowed in there. The workers never said I was loitering or trespassing," OFC Jones whose badge # is 3 said I was. I'm fired of the harassment by this particular officer and I want him to leave me alone. He also said he had the whole thing on his body cam.
